Dear Friend,

We are thrilled to extend an invitation to you, inviting you to join us for a fun day of golf that creates meaningful impact. Our New Jersey Golf Classic will take place on Monday, September 23, 2024, at the White Beeches Golf & Country Club in Haworth, New Jersey.

The funds raised from this event play a crucial role in providing vocational training and job placement services for adults who live with neurodevelopmental disabilities. Shockingly, unemployment rates within this community remain alarmingly high, with a staggering 79% of individuals being sidelined from the workforce. Employment not only offers vital financial stability but also grants our Krew Members a sense of purpose and fulfillment, which are fundamental elements of a rewarding life.

Currently, Ken's Krew boasts an impressive track record with 533 Krew Members successfully placed in employment across 9 states and 205 retail locations. Our commitment extends beyond mere placement; we provide ongoing training and professional development opportunities, ensuring both our Krew Members and their employers thrive in their respective roles.

We urge you to seize this opportunity to empower adults with neurodevelopmental disabilities and pave the way for future Krew Members. Your sponsorship, donation, or participation in the Golf Classic would be immensely appreciated. To learn more about this event and pledge your support, please visit [www.KensKrew.org/NJGolf](http://www.KensKrew.org/NJGolf).

Your support will make a tangible difference in the lives of individuals striving for independence and fulfillment.

Warm regards,
