DEAR FRIEND,

We are delighted to invite you to join us for a day on the course that pairs great golf with even greater purpose. The New Jersey Golf Classic returns on Monday, October 5, 2026, at White Beeches Golf & Country Club in Haworth, New Jersey.

Proceeds from this event directly support Ken's Krew's vocational training and job placement programs for adults with neurodevelopmental disabilities. Despite their skills and potential, nearly 79% of individuals in this community remain unemployed. Meaningful employment provides more than a paycheck—it fosters independence, confidence, and a sense of belonging that is essential to a fulfilling life.

Today, Ken's Krew supports 544 Krew Members in secure employment across 10 states and 219 retail locations. Our work does not stop at placement. We remain actively engaged, offering continued training and support to ensure long-term success for both Krew Members and their employers.

We invite you to be part of this important mission. By sponsoring, donating, or participating in the New Jersey Golf Classic, you help open doors to opportunity and inclusion for future Krew Members. To learn more, register, or become a sponsor please visit www.KensKrew.org/NJGolf.

Together, we can create lasting impact and help individuals build lives defined by purpose, dignity, and success.

Warm regards,
